To the 2015 Giants

Giants,

What a great season we had. I look back on the first few weeks of the season and see a collection of players. By the end of the season, we were a team that played great together.

I am exceptionally proud of this team in how you played, how hard you practiced, how you exhibited sportsmanship, and how you came together as a team.

This year was competitive through the entire season, which doesn't always happen. You were a big part of a great season for Salmon Creek LL.

Play hard. Play fair. Keep your head up. And when it's over, walk across the field and shake the hands of your opponent like gentlemen, knowing you did the best you could.

On behalf of Coach John and all the coaches, thanks for a fun and exciting season. It was great to coach each one of you.
